

Amsterdam DAMRAK[®] VIRGIN

0% ALCOHOL 100% FLAVOR

VIRGIN?

For the sober curious, fit boys and girls, designated drivers and everyone else amongst us interested in an **alcohol-free cocktail** – meet Damrak Virgin.

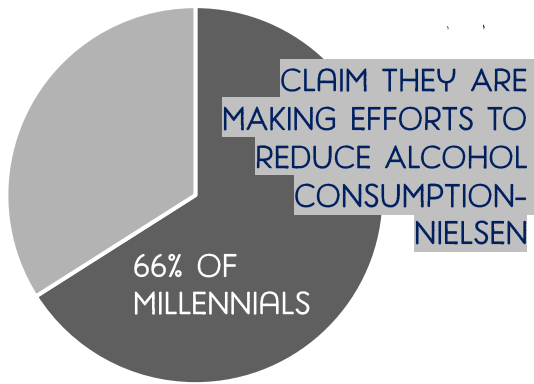

It is everything Damrak is, simply (but in truth, very complexly) reformulated to eliminate the alcohol.

Still **made in the heart of Amsterdam** by our crafty distilling team by carefully extracting flavors from a collection of 10 botanicals.

FLAVOR NOTES

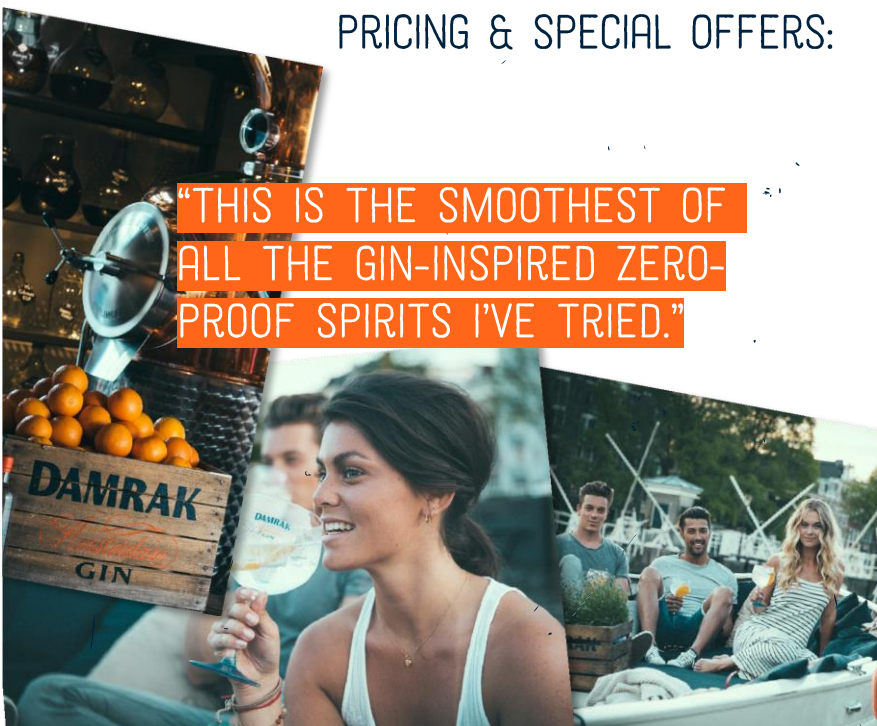

Citrus-forward classic gin-inspired flavor with **pronounced orange and refreshing lemon.**

Creating a high-quality non-alcoholic drink without compromising on flavor is not easy. But we wouldn't be a real Amsterdammer if we stopped trying. And after 2 years of mixing, blending and perfecting the recipe, we did it. And boy are we proud! Without losing the unique Damrak taste, even at 0% alcohol, you can now enjoy a cocktail when you don't want the buzz.
