

GALLIANO L'APERITIVO

The legendary Italian 'Aperitivo' tradition is rapidly growing in popularity.

Leave it to the Italians to create an occasion of the "warm up" drinks. Aperitivo is a simple concept of a very social and functional way of meeting up with friends for some bites and drinks after work, before dinner. Bittersweet Italian liqueurs (Amari) are an essential part of Aperitivo, perfect thirst quenchers stimulating appetite. Aperitivo is currently the hottest, fastest growing liqueur category in the US.
